The Insured Person must meet the eligibility requirements each time a premium payment is made. Dependent coverage is in addition to the fee for your individual student coverage. Dependent Enrollment Forms will not be accepted after the deadline. The deadline to add eligible dependents due to a qualifying event (i.e. birth or marriage), is 31 days from the qualifying event in order to avoid a break in continuous coverage. If the Qualifying Event deadline is not met, the effective date will date on the online Dependent Enrollment Form is submitted.

How do I waive?

Students who are currently enrolled in a health insurance plan of comparable coverage to the Santa Clara University Student Health Insurance Plan and is in effect until August 14, 2018 for Law students, August 31, 2018 for Theology students and September 14, 2018 for Graduate and Undergraduate students can elect to waive the school sponsored Student Health Insurance Plan.

Recognizing that health insurance coverage may change, at the beginning of each academic year students will be asked to provide proof of comparable coverage to Santa Clara University in order to waive coverage.

Waiver Process

To document proof of comparable coverage, an online waiver form must be completed and submitted by the deadline.

Go to www.gallagherstudent.com/scu.

Click on the "Student Waive/Enroll" button.

Log in (if you haven't already).

Select the Red "I Want to Waive" button. When waiving the insurance, have your current health insurance ID card ready as you will need this information in order to complete the waiver form.

Immediately upon submitting your waiver request, you will receive a confirmation number indicating that the form has been successfully submitted. Print this confirmation number for your records. If you do not receive a confirmation number, you will need to correct any errors and resubmit the form. The online process is the only accepted process for waiving the Student Health Insurance Plan.

Santa Clara University reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the Santa Clara University Student Health Insurance Plan.

International students can only waive the Student Health Insurance Plan if they are covered by an insurance plan comparable to Santa Clara University Student Health Insurance Plan and the insurance carrier is based in the United States.

In the event that a student waives the Student Health Insurance Plan and then loses their current coverage due to a qualifying event, (i.e. parent loss of coverage or the maximum age limit available is attained), students have the right to petition to add coverage within 31 days of the qualifying event. If the petition is received within 31 days of the qualifying event, there will be no break in coverage. For petitions received after the 31 days, the effective date of coverage will be the date that the petition is received at Gallagher Student Health & Special Risk. If approved, the premium will not be prorated.

Important dates or deadlines

Waiver Deadline

Undergraduate and Graduate: The deadline for processing the online waiver is September 22, 2017 for students enrolling in the fall for Annual Coverage.

Law School: The deadline for processing the online waiver is August 18, 2017 for students enrolling in the fall for Annual Coverage.

Jesuit School of Theology: The deadline for processing the online waiver is September 18, 2017 for students enrolling for Fall Coverage.

Students who do not submit the online Waiver Form by the deadline will be automatically enrolled in the Student Health Insurance Plan and the fee will appear on their student account bill.
