

## 2019-2020 Student Injury and Sickness Insurance Plan for Undergraduates

# Vanderbilt University

### Dear Students and Parents:

Vanderbilt University is committed to promoting good health and meeting the medical needs of its students. The unexpected occurrence and expense of a medical condition may interrupt and even end a student's academic career. It is for this reason that we offer the Student Injury and Sickness Insurance Plan described in this Brochure.

The University requires that all students in degree programs of 4 or more credits have adequate health insurance. For this reason, the University will include the student insurance charge on your tuition invoice. The Student Injury and Sickness Insurance is mandatory for international students. If you are a domestic student and you have other insurance and do not wish to participate in the Student Injury and Sickness Insurance Plan offered through the University, you must complete an Online Waiver Form ([www.gallagherstudent.com/vanderbilt](http://www.gallagherstudent.com/vanderbilt)) indicating your other insurance information. This Online Waiver Form must be completed no later than August 1, 2019, or you will remain enrolled in the Plan offered by the University and will be responsible for paying the insurance premium. All Students who wish to waive coverage are required to complete an online waiver form at the beginning of each academic year.

Although many families have some form of insurance, it's important to ensure that students have adequate coverage while on campus. The Student Injury and Sickness Insurance Plan provides coverage to students for a 12-month period, August 12, 2019 through August 11, 2020. It is your decision to waive the Student Injury and Sickness Insurance Plan, but here are some questions to think about and to ask your current health plan:

- Does my plan cover full-time students attending college away from home or even out-of-state?
- Does my plan provide adequate coverage beyond emergency services for full-time students attending college away from home or even out of state?
- Does my plan provide adequate access to health care providers outside of the plan's service area including out of state?
- Does my current plan have a high deductible that needs to be met before full coverage begins?
- How does my insurance plan cover referrals to other providers, particularly if it's an out of state referral?
- Will there be extra paperwork - how are claims submitted? Although the Plan covers many of your injuries and sicknesses, there are specific exclusions and limitations in coverage, which should be carefully noted as you read the provisions of the Plan.

We hope you enjoy your stay at Vanderbilt University.

Medical Director

## Who is eligible to enroll?

---

All undergraduate students, with the exception of Division of Unclassified Studies (DUS) students, who are registered in degree programs for 4 or more credits (credit hours), are automatically enrolled in this insurance plan and the premium for coverage is added to their tuition billing unless proof of comparable coverage is furnished.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study and correspondence courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
  - a. On the date the Named Insured acquires a legal spouse
  - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

## Dependent Eligibility and Enrollment

---

Students may enroll their eligible Dependents for an additional cost. To submit a Dependent Enrollment Form, go to [www.gallagherstudent.com/vanderbilt](http://www.gallagherstudent.com/vanderbilt) and click on the 'Dependent Enrollment' link. Payment for Dependent coverage is in addition to the fee for your individual student coverage. Coverage is not effective until the start date shown in the Plan Costs and Period of Coverage section. The premium will not be prorated. It is the Insured Student's responsibility to enroll eligible Dependents each year.

### Dependent Enrollment Deadlines

It is the Insured student's responsibility to enroll eligible Dependents each year. Dependents are not automatically re-enrolled. Students need to purchase coverage for their eligible dependent(s) at the same time of their initial plan enrollment and must purchase the same period of coverage in which they are enrolled.

The deadlines to enroll dependents are as follows: September 12, 2019 for newly enrolled and returning Annual students to have an effective date of August 12, 2019; February 1, 2020 for newly enrolled spring students to have an effective date of January 1, 2020; June 1, 2020 for newly enrolled May semester students to have an effective date of May 1, 2020; and July 1, 2020, for newly enrolled Summer students to have an effective date of June 1, 2020.

The only time students can purchase coverage for their dependents outside of their own coverage period is if the student experiences one of the following qualifying events: (a) marriage (b) birth of a child, (c) divorce, (d) if the dependent is entering the country for the first time, or (e) the dependent loses coverage under another health insurance plan. If dependent enrollment meets one of these qualifying events, the Dependent Enrollment form, supporting documentation, and payment must be received by Gallagher Student Health within 31 days of the qualifying event. Once a dependent is enrolled, coverage cannot be terminated unless the student loses eligibility.

## Where can I get more information about the benefits available?

The certificate of coverage provides details of the coverage including costs, benefits, exclusions, and reductions or limitations and the terms under which the coverage may be continued in force. ## Waiver Information and Deadlines

### Online waivers must be submitted by August 1, 2019.

Eligible students are automatically enrolled in and billed for the Student Injury and Sickness Insurance Plan. Students who are currently enrolled in a health insurance plan of comparable coverage that will be in effect through August 11, 2020 can waive the Student Injury and Sickness Insurance Plan. Recognizing that your current health insurance coverage may change, at the beginning of each academic year students will be asked to provide proof of comparable coverage in order to waive the Student Injury and Sickness Insurance Plan.

### What is Comparable Coverage?

In order to be considered comparable, your current insurance plan must:

1. Be fully compliant with all provisions of the Affordable Care Act (ACA);
2. Be underwritten by an insurance company based in the United States (no international insurance companies);
3. Use a claims company in the United States;
4. Provide access to local doctors, specialists, Hospitals and other health care providers in the Vanderbilt University area;
5. Cover injury and sickness at a minimum of 85% with no policy year maximum;
6. Not have Deductibles greater than \$250 per insured person, per policy year;
7. Cover inpatient and outpatient Hospital expenses, outpatient surgical expenses, inpatient and outpatient mental health, prescription drugs, laboratory tests and x-rays, physical therapy, maternity, home health care;
8. Provide coverage for Medical Evacuation and Repatriation of Remains; and
9. Provide coverage for the period of August 12, 2019 to August 11, 2020.

### Waiver Deadline

The deadline for students to complete the Online Waiver Form is August 1, 2019 for annual coverage, January 4, 2020 for students newly enrolled for the Spring Semester, May 1, 2020 for students newly enrolled for May Mester, and August 1, 2020 for students newly enrolled for the Summer Semester. Students who waive the Student Injury and Sickness Insurance Plan in the fall waive coverage for the entire policy year. The Online Waiver process is the only accepted process for making your insurance selection. Students who do not submit the Online Waiver Form by the deadline will remain enrolled in and billed for the Student Injury and Sickness Insurance Plan.

## Waiver Process

To document proof of comparable coverage an online waiver form must be completed and submitted by the deadline. Submitting an online waiver form is the only accepted process for requesting a waiver of coverage.

1. Go to [www.gallagherstudent.com/Vanderbilt](http://www.gallagherstudent.com/Vanderbilt).
2. Click on "Student Waive".
3. User Accounts have been created for all students, new and returning. Your username is your Vanderbilt University email address and your password for your initial log-in is your student ID. For security purposes, you'll receive an email to reset your password.
4. Click on the Red "I Want to Waive" button.

To complete the online Waiver Form, you will need to provide information from your current health insurance card: name, claims address, and toll-free customer service number of the insurance carrier, the name of the policyholder and policyholder ID or group number. If you have any trouble logging into your user account, please contact Gallagher Student Health & Special Risk customer service at 1-800-468-5867.

Upon submitting your waiver request you will receive a reference number. Your submitted waiver form will be subject to a waiver verification process. The reference number you receive does not guarantee your waiver will be approved, it only documents your form was submitted. Students whose waiver requests are denied will remain enrolled in the Student Injury and Sickness Insurance Plan.

Your submitted waiver form will be subject to waiver verification. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the Student Injury and Sickness Insurance Plan. An Online Waiver Form must be completed at the beginning of each academic year in order to waive participation in the Student Injury and Sickness Insurance Plan.

An online Waiver Form must be completed at the beginning of each academic year in order to waive the Student Injury and Sickness Insurance Plan. Students who waive the insurance and subsequently lose coverage or become ineligible for coverage under their current insurance plan (i.e. a qualifying event), have the option to complete a Petition to Add Form within 31 days of the qualifying event. If the petition is received within 31 days of the qualifying event, coverage will begin the date of the qualifying event and will be in adherence to the Student Injury and Sickness Insurance Plan provisions. If a petition is received after 31 days, the effective date of coverage will be the date that the petition is received at Gallagher Student Health & Special Risk. If the petition is approved, the premium will not be prorated. Petition to Add Forms can be obtained from Student Accounts, or online at [www.gallagherstudent.com/vanderbilt](http://www.gallagherstudent.com/vanderbilt).

## Student Health Center

---

When the Student Health Center is open, Insured Students must first seek care and treatment at the Student Health Center. When the medical staff determines that a student requires the care of a non-health center provider, a written referral will be made for that particular Sickness or Injury. Each Injury or Sickness is a separate condition and a separate written referral is required for each condition, each policy year, in order to receive the benefits allowed in this Plan. Only one referral is required for each Injury or sickness per Policy Year. A referral from the Student Health Center does not guarantee that the services will be covered by the Student Injury and Sickness Insurance Plan. Treatment received without a written referral authorization will not be covered, except for the circumstances listed below. Treatment that requires a referral will be covered in accordance with the Schedule of Benefits on pages 5-6. A referral issued by the Student Health Center must accompany the claim when submitted. Covered Dependents do not use services at the Student Health Center and are not required to obtain a written referral.

### Exceptions to the Referral Process:

1. When the Student Health Center is closed.
2. Medical Emergency or Emergencies. The student must return to the Student Health Center for necessary follow-up care.
3. When service is rendered at another facility during break or vacation periods.
4. Medical care received when an Insured Student is more than 40 miles from the Vanderbilt University campus.
5. Medical care received when an Insured Student is no longer eligible to use the Student Health Center due to a change in student status.
6. Insured Dependents.
7. Maternity, obstetrical and gynecological care.
8. Mental Illness Treatment and Substance Use Disorder Treatment.

The Student Health Center provides primary care services for students and is staffed by physicians, nurse practitioners, nurses and lab technicians. The Student Health Center provides services similar to those provided in a private physician's

office or HMO, including routine medical care, specialty care (e.g. nutrition and sports medicine), and some routine lab tests, including one pre-paid annual (per policy year) cytological screen (Pap smear and exam) for Insured students in the Student Injury and Sickness Insurance Plan. Most of the services students receive at the Student Health Center are pre-paid, but those services that are not are the responsibility of students to coordinate with their health insurance.

The Student Health Center is open Monday through Friday from 8:00 a.m. to 4:30 p.m. Students can schedule an appointment on-line at <https://www.vumc.org/student-health/online-appointments> or by calling 1-615-322-2427. Students with urgent problems will be seen on a same-day basis. They will be given an appointment that day, or “worked in” on a first-come, first-serve basis if no appointments are available. Emergency consultations services 1-615-322-2427 are available 24-hours a day, 7 days a week from on-call professionals. For more detailed information on the services available at the Student Health Center and information on other health-related topics, please visit the Student Health Center website at <https://www.vumc.org/student-health/>.

Maintaining good health extends to taking care of your teeth, gums and mouth. The Basix Dental Savings Program provides you with a wide range of dental discount services. Basix contracts with dentists that agree to charge a negotiated fee to students covered under the Gallagher Student Health Insurance plan. Students must pay for the services received at the time of service to receive the negotiated rate. Savings vary but can be as high as 50% depending on the type of service received and the contracted dentist providing the service. To use the program, students must:

- Make an appointment with a contracted dentist. Contracted dentists and their fee schedules are listed on [www.basixstudent.com](http://www.basixstudent.com).
- Tell the dental office that they have the student health insurance plan and the Basix program. Students don't need a separate ID card for the Basix program, but will need to show their student health insurance ID card to confirm eligibility.

Full details of the program are available on [www.basixstudent.com](http://www.basixstudent.com). Basix can also be reached via email from their website or by telephone at (888) 274-9961.
