FREQUENTLY ASKED QUESTIONS

► What does "In Network" mean?

"In Network" means the provider has a contract with the insurance company. If care is received from an In-Network provider, Covered Medical Expenses will be paid at the In-Network level of benefits. Reduced or lower benefits will be paid when an Out-of-Network provider is used. The network for this plan is PHCS/ Multiplan.

► How do I find an In-Network Provider?

1. Visit www.multiplan.com/ISHPHCSMPI and click on "Select Network" then "PHCS."
2. In the search box, enter the type of doctor or other provider you are looking for, such as "Primary Care Physician" or "Urgent Care."
3. Click the link after "Near" to open a box where you can key in your zip or current location.
4. You will see a list of medical providers near you. Select one, then call the provider's office to make an appointment. You don't need an appointment for urgent care.

► What should I do if I need medical treatment?

If you experience a sickness or injury, choosing the appropriate care is important. Here are some guidelines:

1. Seek treatment from your campus health center for things like colds and coughs, flu symptoms, minor sprains, and other non-emergency health conditions.
2. If the health center is closed, go to an urgent care center or a doctor's office. Find a doctor or urgent care by visiting www.multiplan.com/ISHPHCSMPI (see above).
3. Do not go to the hospital unless you have a very serious or life-threatening condition, or are referred by another doctor. **If you have a very serious or life-threatening condition, go the nearest hospital Emergency Room or call 911 immediately for an ambulance.**
4. If you need to fill a prescription, use a Southern Scripts network pharmacy. Most drugstores, such as Walgreens, Rite-Aid, and CVS, as well as retail stores such as Walmart, Target, and some grocery chains accept Southern Scripts.

► What is an EOB?

After your doctor or hospital visit, you will receive an EOB in the mail. An EOB, or *Explanation of Benefits*, shows the charges, discounts, and any amounts that you owe the provider after the insurance has paid its share. An EOB is not a bill. The provider will bill you separately for any amount owed.

For questions or concerns about medical bills or claims, please contact WebTPA at (800) 407-0620.
