Am I Eligible?

All full time students (enrolled in 8 or more credit hours) will be automatically enrolled and included on the student's tuition bill, unless evidence of comparable cover is provided and a waiver of coverage form is submitted on or before the waiver of coverage deadline.

How Do I Waive?

To document proof of comparable coverage an Online Waiver Form must be completed and submitted by the deadline.

- Go to www.gallagherstudent.com/Augustana.
- On the left toolbar, click on 'Student Waive/Enroll'.
- Log in (if you haven't already).
- Select the Blue "I want to Waive/Enroll" button. If waiving the insurance, please have your current health insurance ID card ready as you will need this information in order to complete the waiver form.

Immediately upon submitting the Augustana College Annual Waiver Enrollment Form, you will receive a confirmation number indicating that the form has been successfully submitted. Print this reference number for your records. If you do not receive a reference number, you will need to correct any errors and resubmit the form. The online method is the only accepted process for waiving coverage. Augustana College reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the Student Health Insurance Plan, effective the date that the determination was made and there will be no pro-rata of premium.

The deadline to waive coverage for Annual coverage is 9/6/2020.
