

Regis College Request for Termination of Student Health Insurance Coverage

Policy: Students who enrolled for annual coverage and who meet one of the criteria below may request a termination of coverage of the Student Health Insurance Plan for the upcoming term. The request for termination of coverage must be received by Gallagher Student Health & Special Risk no later than January 17, 2021. **No forms will be accepted after this date.**

Criteria:

1. Student who disenrolls from school for the spring semester; or
2. Student who is enrolled in the Student Health Insurance Plan and then becomes eligible and enrolls in a subsidized Health Insurance Plan through the Massachusetts Health Connector during the same policy year. Coverage in the subsidized Health Insurance Plan must be effective on or before the start of the spring coverage period (which may not be the same date as the beginning of the academic spring semester); or
3. Student who is enrolled in the Student Health Insurance Plan and then becomes eligible and enrolls in MassHealth (not including MassHealth Limited, the Health Safety Net or the Children's Medical Security Plan; these plans do not meet the criteria) during the same policy year. Coverage in MassHealth must be effective on or before the start of the spring coverage period (which may not be the same date as the beginning of the academic spring semester).

However, coverage for students who are enrolled in MassHealth and who qualify for MassHealth Premium Assistance (MHPA) will not be terminated from the Student Health Insurance Plan as the premium will be paid through the Premium Assistance Program. A credit of the spring semester premium will be made to the student's Student Account.
