Who is eligible to enroll?

All non-immigrant international students with F or J Visa status enrolled in any amount of credit hours at LSU Baton Rouge are automatically enrolled in this insurance plan at registration, unless proof of comparable coverage is furnished.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student’s legal spouse and dependent children or grandchildren who meet the limits of a Dependent set forth in the Dependent definition.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
   a. On the date the Named Insured acquires a legal spouse.
   b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

How do I waive?

Students who are currently enrolled in a health insurance plan of comparable coverage to the LSU Baton Rouge Student Injury and Sickness Insurance Plan and is in effect until August 13, 2021 can elect to waive the school sponsored Student Injury and Sickness Insurance Plan.

Recognizing that health insurance coverage may change, at the beginning of each academic year students will be asked to provide proof of comparable coverage to LSU Baton Rouge in order to waive coverage. To document proof of comparable coverage, a waiver form must be completed and submitted by the deadline.

Waiver Process

To document proof of comparable coverage, an online waiver form must be completed and submitted by the deadline.

2. Click on the “International Student Waive” button.
3. First Time Users will need to create a unique User Account. Returning students can log in with their existing User Account information.
4. Once an account has been created, select the Red “I want to WAIVE - International Students ONLY” button. When waiving the insurance, have your current health insurance ID card ready as you will need this information in order to complete the waiver form.

Immediately upon submitting your waiver request, you will receive a confirmation number indicating that the form has been successfully submitted. Print this confirmation number for your records. If you do not receive a confirmation number, you will need to correct any errors and resubmit the form. The online process is the only accepted process for waiving the Student Injury and Sickness Insurance Plan.
LSU reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the LSU Student Injury and Sickness Insurance Plan.

International students can only waive the Student Injury and Sickness Insurance Plan if they are covered by an insurance plan comparable to LSU Student Injury and Sickness Insurance Plan and the insurance carrier is based in the United States. In the event that a student waives the Student Injury and Sickness Insurance Plan and then loses their current coverage due to a qualifying event, (i.e. parent loss of coverage or the maximum age limit available is attained), students have the right to petition to add coverage within 31 days of the qualifying event. If the petition is received within 31 days of the qualifying event, there will be no break in coverage. For petitions received after the 31 days, the effective date of coverage will be the date that the petition is received at Gallagher Student Health & Special Risk. If approved, the premium will not be prorated.

Waiver Deadline
The deadline for processing the online waiver is September 11, 2020 for students enrolling in the fall for Annual Coverage, and February 01, 2021 for students who are newly enrolled for the spring term. Students who do not submit the online Waiver Form by the deadline will be automatically enrolled in the Student Injury and Sickness Insurance Plan and the fee will appear on their student account bill.
