2021–2022 Student Injury and Sickness Insurance Plan for Macalester College and Minneapolis College of Art and Design

Who is eligible to enroll?

All Macalester College and Minneapolis College of Art and Design students are automatically enrolled in this insurance plan at registration and the premium for coverage is added to their tuition billing, unless proof of comparable coverage is furnished on a hard-waiver basis.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

How do I waive?

Students who are currently enrolled in a health insurance plan of comparable coverage to the Macalester College or Minneapolis College of Art and Design Student Injury and Sickness Insurance Plan and is in effect until August 19, 2022 can elect to waive the Student Injury and Sickness Insurance Plan.

Recognizing that health insurance coverage may change, at the beginning of each academic year students will be asked to provide proof of comparable coverage to Macalester College or Minneapolis College of Art and Design in order to waive coverage.

Waiver Process

If you determine your coverage to be comparable and would like to waive the student health insurance plan:

If you are a Macalester College Student:
1. Go to www.gallagherstudent.com/macalester
2. Click on “Student Waive/Enroll”.
3. For initial login, use your Macalester email address as your username and your Macalester ID number as your password. You will then receive an email that prompts you to reset your password.
4. Select the Blue "I want to Waive/Enroll" button. When waiving the insurance, have your current health insurance ID card ready as you will need this information in order to complete the waiver form.

If you are a Minneapolis College of Art and Design Student:
1. Go to www.gallagherstudent.com/MCAD
2. Click on "Student Waive".
3. First time users will need to create a unique User Account. Returning students can log in with their existing User Account Information.
4. Select the Red "I want to Waive" button. When waiving the insurance, have your current health insurance ID card ready as you will need this information in order to complete the waiver form.
Immediately upon submitting your waiver request, you will receive a confirmation number indicating that the form has been successfully submitted. Print this confirmation number for your records. If you do not receive a confirmation number, you will need to correct any errors and resubmit the form. The online process is the only accepted process for waiving the Student Injury and Sickness Insurance Plan.

Macalester College and Minneapolis College of Art and Design reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the Student Injury and Sickness Insurance Plan.

International students can only waive the Student Injury and Sickness Insurance Plan if they are covered by an insurance plan comparable to the Student Injury and Sickness Insurance Plan and the insurance carrier is based in the United States.

In the event that a student waives the Student Injury and Sickness Insurance Plan and then loses their current coverage due to a qualifying event, (i.e. parent loss of coverage or the maximum age limit available is attained), students have the right to petition to add coverage within 31 days of the qualifying event. If the petition is received within 31 days of the qualifying event, there will be no break in coverage. For petitions received after the 31 days, the effective date of coverage will be the date that the petition is received at Gallagher Student Health & Special Risk. If approved, the premium will not be prorated.

**Waiver Deadline**

The deadline for students to complete the Macalester College Decision form is August 24, 2021 for annual coverage. Students who waive the Student Injury and Sickness Insurance Plan in the fall waive coverage for the entire policy year.

The deadline for students to complete the Minneapolis College of Art and Design Waiver form is July 31, 2021.

The Online Waiver process is the only accepted process for making your insurance selection. Students who do not submit the Online Waiver Form by the deadline will remain enrolled in and billed for the Student Injury and Sickness Insurance Plan.
