- + Track deductibles, out-of-pocket maximums and other accumulators
- + View and email your plan ID card – never worry about lost cards again!
- + Get online technical support with our help center

## How to Download the myHealth App

### iPhone Instructions

- 1 Open the App Store.
- 2 Search for "myHealth For HealthSmart"
- 3 Tap the "Get" button next to the HealthSmart app, and it will begin to install.
- 4 Once installed, a new HealthSmart app icon will appear on your screen.

### Android Instructions

- 1 Open the Google Play app store.
- 2 Search for "myHealth For HealthSmart"
- 3 Tap the HealthSmart application and tap the "Install" button to download.
- 4 Once installed, a new HealthSmart app icon will appear on your screen.

- 1 Click on the HealthSmart app.
- 2 If you've already registered, sign in using your username and password.
- 3 To set up your new myHealth account, click on "Create Account." You will be redirected to a page that requires you to complete some information. Once completed, enter a new username and password that will grant you access to your myHealth account. Then just tap "Register."
- 4 Now, you can use the same username and password to login to your myHealth account at any time. You can also access your account online at [myhealth.healthsmart.com](http://myhealth.healthsmart.com).
