The proof must describe the occurrence, extent, and nature of the loss.

Proof Of Loss: Written (or authorized electronic or telephonic) proof of loss must be sent to the agent authorized to receive it. Written (or authorized electronic or telephonic) proof must be given within 90 days after the date of loss. If it cannot be provided within that time, it should be sent as soon as reasonably possible. In no event, except in the absence of legal capacity, should proof of loss be sent later than one year from the time proof is otherwise required.

Claimant Cooperation Provision: Failure of a claimant to cooperate with Us in the administration of a claim may result in the termination of a claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Time Payment Of Claims: Any benefits due will be paid when We receive written (or authorized electronic or telephonic) proof of loss.

Payment Of Claims: If the Insured dies, any death benefits or other benefits unpaid at the time of the Insured's death will be paid to the beneficiary. If no beneficiary is on record with Us or Our authorized agent, payment will be made to the Insured's estate.

All other benefits will be paid to the Insured. If the Insured is: (1) a minor; or (2) in Our opinion unable to give a valid release because of incompetence, We may pay any amount due to a parent, guardian, or other person actually supporting him or her. Any payment made in good faith will end Our liability to the extent of the payment.

If a Covered Loss is suffered by a Covered Person who resides outside of the United States, its territories and possessions and in a Country where the Company is not permitted to provide insurance without a License, the Company will pay benefits under the Policy to the Policyholder, who:

1. will hold such payment in trust for the sole use and benefit of the insured person or his or her beneficiary or other person to whom such benefits are payable ("Payee"); and
2. will remit such payment to the Payee in accordance with applicable law.

Any such payment the Company makes to the Policyholder is a full discharge of the Company's liability for the claim for which payment is made.

"Country" includes any political jurisdiction that independently regulates the licensing of insurance companies.

"License" or "Licensed" means with respect to any Country, authorized or otherwise permitted in accordance with applicable law to conduct the business of accident and sickness insurance in such Country.

Beneficiary: The Insured may designate a beneficiary for Accidental Death Benefits, if any. The Insured has the right to change the beneficiary at any time by written (or electronic and telephonic) notice. If the Insured is a minor, his or her parent or guardian may exercise this right for him or her. The change will be effective when We or Our authorized agent receive it. When received, the effective date is the date the notice was signed. We are not liable for any payments made before the change was received. We cannot attest to the validity of a change.

The Insured is the beneficiary for any covered Dependent.

Assignment: We may pay benefits directly to any Hospital or person rendering covered services, unless the Covered Person requests otherwise in writing no later than the time he or she submits written proof of loss. Any payment made in good faith will end our liability to the extent of the payment.

Physical Examinations And Autopsy: We have the right to have a Doctor of Our choice examine the Covered Person as often as is reasonably necessary. This section applies when a claim is pending or while benefits are being paid. We also have the right to request an autopsy in the case of death, unless the law forbids it. We will pay the cost of the examination or autopsy.

Legal Actions: No lawsuit or action in equity can be brought to recover on this Policy: (1) before 60 days following the date proof of loss was given to Us; or (2) after 3 years following the date proof of loss is required.

ADMINISTRATIVE PROVISIONS

Premiums: The premiums for this Policy will be based on the rates currently in force, the plan and amount of insurance in effect.

Changes In Premium Rates: We may change the premium rates from time to time with at least 31 days advanced written, or authorized electronic or telephonic notice. We reserve the right to change rates at any time if any of the following events take place.

3. Any federal or state law or regulation is amended to the extent it affects Our benefit obligation.
4. There is a change in the market factors or factors bearing on the risk assumed.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

Payment of Premium: The first Premium is due on the Policy Effective Date. If any premium is not paid when due, the Policy will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Policy Grace Period: A Policy Grace Period of 31 days will be granted for the payment of the required premiums. The Policy will remain in force during the Grace Period. If the required premiums are not paid during the Policy Grace Period, insurance will end on the last Premium Due Date on which required premiums were paid. The Policyholder will be liable to Us for any unpaid premium for the time the Policy was in force.

GENERAL PROVISIONS

Entire Contract; Changes: The Policy (including any endorsements or amendments), the signed application of the Policyholder, and any individual applications of Covered Persons, are the entire contract. Any statements made by the Policyholder or Covered Persons will be treated as representations and not warranties. No such statement shall void the insurance, reduce the benefits, or be used in defense of a claim for loss incurred unless it is contained in a written application.

The Policyholder may terminate this Policy on any Premium Due Date by giving 31 days advance written (or authorized electronic or telephonic) notice to Us. This Policy terminates automatically on the earlier of: 1) the last day of the Policy Term; or 2) the Premium Due Date if Premiums are not paid when due.

Clerical Error: If a clerical error is made, it will not affect the insurance of any Covered Person. No error will continue the insurance of a Covered Person beyond the date it should end under the Policy terms.

Examination Of Records And Audit: We shall be permitted to examine and audit the Policyholder's books and records at any time during the term of the Policy and within 2 years after the final termination of the Policy as they relate to the premiums or subject matter of this insurance.

Certificates Of Insurance: Where it is required by law, or upon the request of the Policyholder, We will make available certificates outlining the insurance coverage and to whom benefits are payable under the Policy.

Conformity With State Laws: On the effective date of this Policy, any provision that is in conflict with the laws in the state where it is issued is amended to conform to the minimum requirements of such laws.
