Student Accident & Sickness Insurance

Plan Eligibility Highlights for Domestic Students

The Affordable Way To Protect Your Most Valuable Asset—Your Health!

Staying healthy is one of the most important things you can do for yourself. When facing a health problem that may come up while you are at college, not getting the care you need due to lack of insurance or high out-of-pocket costs can turn into a roadblock in achieving your academic goals. Student Health Insurance ensures you have coverage for the unexpected, as well as access to the medical services available on-campus, near campus and anywhere that you may live or travel.

THIS PLAN IS UNDERWRITTEN BY COMPANION LIFE INSURANCE COMPANY WITH CLAIMS ADMINISTERED BY KLAIS & COMPANY INC.

Why Student Health Insurance?

Keep in mind that your Student Accident and Sickness Insurance Plan:

- Coordinates with your on-campus Student Health Services
- Gives you easy access to providers near campus or anywhere you may live or travel
- Includes Worldwide Travel Assistance, Medical Evacuation and Repatriation Coverage
- Offers comprehensive services, including wellness services
- Does not require you to submit a claim form; participating providers will bill the claims company
- Customer Service available toll-free to answer your questions and assist with enrollment

OTHER CONSIDERATIONS -

- Student Insurance Plans are generally less expensive than individual plans with similar benefits.
- Check the cost of being covered as a dependent; is it more expensive than the cost of this Plan?
- Compare your deductible and out-of-pocket costs to the premium of the cost of this Plan.
- Are there administrative requirements, pre-certification or PCP referrals under your current plan that may delay your receipt of care?
