Important: Please see the Notice on the Inside Cover of this plan material concerning student health insurance coverage.

Your student health insurance coverage, offered by Companion Life Insurance Company, may not meet the minimum standards required by the health care reform law for the restrictions on annual dollar limits. The annual dollar limits ensure that consumers have sufficient access to medical benefits throughout the annual term of the policy. Restrictions for annual dollar limits for group and individual health insurance coverage are \$1.25 million for policy years before September 23, 2012; and \$2 million for policy years beginning on or after September 21, 2012 but before January 1, 2014. Restrictions for annual dollar limits for student health insurance coverage are \$100,000 for policy years before September 23, 2012, \$500,000 for policy years beginning on or after September 23, 2012, but before January 1, 2014. Your student health insurance coverage put an annual limit of \$100,000 that applies to the essential benefits provided in the Schedule of Benefits unless otherwise specified. If you have any questions or concerns about this notice, contact Customer Service at 1-877-300-3550. Be advised that you may be eligible for coverage under a group health plan of a parent's employer or under a parent's individual health insurance policy if you are under the age of 26. Contact the plan administrator of the parent's employer plan or the parent's individual health insurance issuer for more information.

The plan is underwritten by Companion Life Insurance Company and is managed by Gallagher Koster. Claims are paid by Klais and Company, Inc. The exact provisions governing this insurance are contained in the Master Policy issued to the University. The Master Policy will control in the event of any conflict with this brochure.

Fall	8/5/12 - 1/29/13	September 30, 2012

Dependent Eligibility and Enrollment

Eligible dependents of students enrolled in the Plan may also be enrolled in the plan. Please refer to definition of "Dependent" in the Definitions section. Students must purchase coverage for their eligible dependent(s) at the same time as their own initial plan enrollment. Dependent coverage must be purchased for the same time period as the student's period of coverage and cannot exceed coverage purchased by the student. For example, a student enrolled for annual

coverage cannot purchase dependent coverage for the spring semester unless a qualifying event, as defined below, occurs.

The Dependent Enrollment Form must also be received by the published deadline.

Students can add eligible dependent(s) as a late enrollee if they experience one of the following qualifying events: (a) marriage, (b) birth of a child, (c) divorce, or (d) if the dependent is entering the country for the first time. Please note, with the exception of the dependent entering the country for the first time, all other qualifying events noted above will only be approved if experienced by the student. If dependent enrollment meets one of these qualifying events, the Dependent Enrollment Form, supporting documentation, and payment must be received by Gallagher Koster within 31 days of the qualifying event. If not received within 31 days of the qualifying event, the effective date of coverage will be the date this form and payment are received at Gallagher Koster. Once a dependent is enrolled, coverage cannot be terminated unless the student loses eligibility.

To submit dependent information online, go to www.gallagherkoster.com/UWISystem, click on the link for the appropriate campus, and then click on "Dependent Enroll". Payment for Dependent coverage is in addition to the fee for your individual student coverage.

Coverage Ending

An Insured's coverage ends on the earliest of the following:

- 1) The date the Insured ceases to be eligible for coverage; or 2) The end of the Insured's term of coverage. An Insured's spouse or dependent coverage will end at the earliest of: 1) The end of the period for which the premium is paid for such spouse or dependent coverage; 2) The date a spouse or dependent is no longer eligible for coverage; or 3) The end of the Insured's term of coverage.

Premium Refund Policy

Any Insured Student withdrawing from the College during the first 31 days of the period for which coverage is purchased shall not be covered under the Plan and a full refund of premium will be made. Insured Students withdrawing after 31 days will remain covered under the Plan for the full period for which premium has been paid and no

refund will be made available. This is true for students on leave for medical reasons, graduating students, and students electing to enroll in a separate comparable plan during the policy year. Premiums received by the Company are non-refundable except as specifically provided. Coverage for an Insured Student entering the Armed Forces of any country will terminate as of the date of such entry. Those Insured Students withdrawing from the school to enter military service will be entitled to a pro-rata of premium upon written request.

Effective and Termination Dates

For annual coverage, the Master Policy becomes effective at 12:01 a.m. on August 5, 2012 and terminates at 11:59 p.m. on August 4, 2013. For fall coverage, the Master Policy becomes effective at 12:01 a.m. on August 5, 2012 and terminates at 11:59 p.m. on January 29, 2013. Preferred Provider Network

The University of Wisconsin System Student Accident and Sickness and Insurance Plan provides access to hospitals and health care providers within Wisconsin through the HealthEOS Plus Network and

outside of the Wisconsin and across the country through the MultiPlan Preferred Provider Network.

You are not required to use Preferred Providers. However, the advantage to using a Preferred Provider is that Preferred Providers have agreed to accept as payment for their services a negotiated fee or Preferred Allowance. Out-of-Network Providers have not agreed to a Preferred Allowance and consequently, the out-of-pocket costs may be greater.

Students should be aware that Preferred Hospitals may be staffed with Out-of-Network Providers. Receiving services or care from an Out-of-Network Provider at a Preferred Hospital means that those charges will not be paid at the Preferred Hospital level of benefits. It is important that the Insured Student verify that his or her Doctor(s) are Preferred Providers when calling for an appointment or at the time of service.

The most efficient and accurate way to identify Preferred Providers locally is to call HealthEOS toll-free at 1-800-279-9776 or visit their website at www.healtheos.com/search. To identify Preferred Providers nationally, call MultiPlan Network toll-free at 1-888-342-7427 or visit their website at www.multiplan.com

Provided that the additional premium has been paid, insured student athletes who are members of and are participating in intercollegiate baseball, football, softball, basketball, volleyball, soccer, cheerleading, golf, tennis, swimming, cross country, and student trainers/managers sponsored by the Policyholder are covered for sports Injury as for any other Injury.
