## Student Eligibility and Enrollment

### Voluntary Student Injury and Sickness Coverage

All Nazareth College undergraduate and graduate students, will be eligible to enroll in, and directly pay Gallagher Koster for, the Student Injury and Sickness Insurance Plan on a **voluntary** basis. Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased to stay in effect. The Insurance Company maintains its right to investigate student status and to verify that the policy eligibility requirements have been met. In the event that you lose coverage due to a qualifying event, i.e. your parent loses coverage or you reach the maximum age limit available under a parent's plan, you have the right to petition to add coverage within 31 days of the qualifying event. If the petition is received within 31 days of the qualifying event, there will be no break in coverage; for petitions received after the 31 days, the effective date of coverage will be the date that the petition is received at Gallagher Koster. The premium will not be prorated.

### Online Student Enrollment Process

3. Create a user account (Student ID number required) or log in if an existing user.
4. Select the Blue "I want to Enroll" button".

### Enrollment Deadline

The deadline for processing the online enrollment form is September 26, 2012, for students enrolling in the fall and January 31, 2013, for students who are newly enrolled for the spring term. Students who complete and successfully submit a Form in the fall will have coverage for the entire policy year. Only students who are newly enrolled student at Nazareth for the Spring Term are allowed to enroll coverage for the Spring Term.

### Dependent Eligibility and Enrollment

Eligible dependents of students enrolled in the Plan may participate on a voluntary basis. Dependents must be enrolled at the time of the Insured Student's enrollment or within 31 days of birth of the newborn. Eligible dependents are the spouse and children under 26 years of age. Dependent Eligibility expires concurrently with that of the Insured student. It is the student's responsibility to enroll eligible dependents by the deadline each year. Dependents are not automatically re-enrolled. Previously enrolled dependents must be re-enrolled for coverage by September 30, 2012, in order to avoid a break in coverage.

The Effective Date for an Insured's eligible spouse or dependents enrolled with an Insured is the Insured's Effective Date provided we receive the required premium for the spouse or dependent by the enrollment deadline. If a spouse or dependent becomes eligible after an Insured's Effective Date, the Insured has 31 days from the date such spouse or dependent first becomes eligible to enroll them and pay the applicable premium. To submit

dependent enrollment information, Insured Students can go to [www.gallagherkoster.com/nazareth](http://www.gallagherkoster.com/nazareth) and click on 'Dependent Enroll' to complete an online Dependent Enrollment Form.

## Basix Dental Savings

Maintaining good health extends to taking care of your teeth, gums and mouth. The Basix Dental Savings Program provides a wide range of dental services. It is important to understand the **Dental Savings Program is not dental insurance**. Basix contracts with dentists that agree to charge a negotiated fee to students covered under your Gallagher Koster plan. You must pay for the services received at the time of service to receive the negotiated rate.

Savings vary but can be as high as 50% depending upon the type of service received and the contracted dentist providing the service. To use the program simply:

- Make an appointment with a contracted dentist. Contracted dentists and their fee schedules are listed on the website, [www.basixstudent.com](http://www.basixstudent.com).
- Tell the dental office that you are an insured student and have to the Basix program. Each dentist has an administrative person to assist you with any questions. You do not need a separate identification card for the Basix program, but you will need to show your student health insurance ID card to confirm your eligibility. If the office needs to check eligibility, call Gallagher Koster at 877-320-4347.
- Remember, you must pay for the services you receive at the time of service, so make sure you understand what forms of payment (check, credit card, etc.) the dentist accepts.

Full details of the program can be viewed at the website: [www.basixstudent.com](http://www.basixstudent.com). Once at the home page, select the link for your school. You may also contact us via email from our website, or by telephone at (888) 274-9961.

## CampusFit

College health is all about helping students develop healthy habits for a lifetime. To support your efforts, CampusFit “digitizes” knowledge from registered dietitians and certified fitness instructors to help teach and reinforce mainstream ideas about diet, nutrition, fitness and general wellness.

- The Energy Management section of the site allows a student to easily assess how much energy they are consuming, and expending on a daily basis. It also displays the results in the context of the Food Pyramid so students can see how to improve their food choices.
- The Fitness Works section has dozens of downloadable mp3 files and written exercise routines to help students get more active. Want to run your first 5K? We’ve got a nine week, step-by-step plan to get you there.
- The Wellness Support section has downloadable mp3 files for guided imagery relaxation, and dozens of recordings to reinforce fundamental diet and nutrition ideas – we’ve even got a 20 minute discussion on the “Freshman 15”.

CampusFit is available at no cost to students. To access CampusFit, go to [www.gallagherkoster.com/nazareth](http://www.gallagherkoster.com/nazareth).

## Prescription Drug Program

The outpatient prescription drug benefit is available through the Medco Pharmacy Network. The Medco Pharmacy Network includes national pharmacy chains, CVS, Walgreens, Brooks and local pharmacies. The per prescription Copayments are \$15.00 for a 30 day supply of a generic drug, a per prescription Copayment of \$25.00 for a 30 day supply of a brand name drug, and a per prescription Copayment of \$50.00 for a 30 day supply of a non-preferred brand name drug, up to a maximum benefit of \$100,000 per policy year. Insured Persons will be given an ID card to show to the pharmacy as proof of coverage. If a prescription needs to be filled prior to receiving an ID card, reimbursement will be made upon submitting a completed Rx

Prescriptions are also available through a Mail Service Program. Through the Mail Service Program you will pay the cost of a 30-day supply for a 90-day supply of your prescription drug. ## Preferred Provider Network

The Nazareth College Student Injury and Sickness Insurance Plan provides access to Physicians, Hospitals and other health care providers through the Multiplan Preferred Provider Network within the New York area, as well as throughout the United States. Network Providers are the Physicians, Hospitals and other health care providers who are contracted to provide specific medical care at negotiated prices. When Insured Students use Network Providers, out-of-pocket expenses will be less because Network Providers have agreed to accept a negotiated fee or Preferred Allowances as payment. Non-Network Providers have not agreed to a negotiated fee and are subject to a higher coinsurance.

It is important that the Insured Student verify that his or her Physicians are Network Providers when calling for an appointment or at the time of service. The most efficient and accurate way to identify Network Providers is to call Multiplan at 1-800-672-2140 or at [www.multiplan.com](http://www.multiplan.com).
