Student Health Insurance Plan Plan Eligibility Highlights

The Affordable Way To Protect Your Most Valuable Asset—Your Health!

Staying healthy is one of the most important things you can do for yourself. When facing a health problem that may come up while you are at college, not getting the care you need due to lack of insurance or high out-of-pocket costs can turn into a roadblock in achieving your academic goals. Student Health Insurance ensures you have coverage for the unexpected, as well as access to the medical services available on-campus, near campus and anywhere that you may live or travel.

To ensure all students have health insurance coverage, your School has automatically enrolled you in and billed you for this Student Health Insurance Plan.

Need to Make a Decision?

Keep in mind that your Student Health Insurance Plan:

- Gives you easy access to providers near campus or anywhere you may live or travel
- Includes Worldwide Travel Assistance, Medical Evacuation and Repatriation Coverage
- Offers comprehensive services, including wellness services
- Offers discounts on dental & vision services and other Plan enhancements
- Does not require you to submit a claim form; participating providers will bill the claims company directly
- Offers access to exceptional service from Gallagher Koster's Customer Service team, ready to assist you with your insurance needs and questions

OTHER CONSIDERATIONS

- Student Insurance Plans are generally less expensive than individual plans with similar benefits.
- Check the cost of being covered as a dependent; is it more expensive than the cost of this Plan?
- Compare your deductible and out-of-pocket costs to the premium of the cost of this Plan.
- Are there administrative requirements, pre-certification, PCP referrals, or other restrictions under your current plan that may delay your receipt of care?
