# Enrollment & Eligibility

## Who is eligible for the plan?

All registered international students and scholars are eligible to enroll in this insurance plan. Students age 65 or over, or online and distance learning students taking home study, correspondence, or television courses are not eligible to enroll in the insurance plan. International students enrolled in the Optional Practical Training program are eligible to enroll in this insurance plan on a voluntary basis.

### Medical Leave of Absence:

Students who have been continuously insured through the student health insurance plan for a minimum of two semesters and who have been granted an approved Medical Leave of Absence may be eligible to continue their coverage for a maximum of two semesters. Students who believe they are eligible should contact Gallagher Koster for more information.

## How do I enroll?

All eligible International students will be automatically enrolled in the plan.

## Can I waive coverage?

Waivers for this International Student Plan are granted only in very rare and specific cases, and are granted only through the International Student Services Office on campus, in consultation with Student Health Services.

## How do I enroll my eligible dependents?

Dependents of students will also be automatically enrolled in the plan.

## What about Health Care Reform? How does that affect my Student Health Insurance Plan?

If you are under the age of 26, you MAY be eligible to enroll as a dependent under the employer health insurance plan held by your parent(s). However, before you do so, you should fully compare the employer plan against this Student Plan to determine which plan's rates, benefits and coverage are most appropriate for you.

Keep in mind that Student Insurance Plans are generally less expensive than individual plans with similar benefits. In fact, your total out-of-pocket cost (including premium and deductibles) may be significantly LESS with this Student Plan, especially if your parents' employer plan is considered a 'high deductible' plan.

# Insurance Plan Benefits

## What changes have been made to the plan for the 2012-2013 Policy Year?

- Companion Life Insurance Company will be the new insurance carrier and Klais & Company, Inc. will be the claims company.
- The student health insurance plan is compliant with the first phase of health care reform as determined by the regulations released from the US Department of Health and Human Services.
- Highlights of Plan enhancements (compared to the 2011-2012 Plan) include:
  - A previous \$2,000 per day limitation has been removed for inpatient services and the benefit will be paid up to \$250,000 per condition per policy year.
  - A previous inpatient and outpatient mental health combined maximum benefit of \$7,000 has been removed.
  - A previous outpatient mental health maximum benefit of 90% up to \$2,000 has been removed and outpatient mental health visits are covered at 100% after a \$25 copayment and benefits will be paid up to \$250,000 per condition per policy year.
  - A new comprehensive Preventive Health/Wellness Benefit has been added, with services paid at 100% to In-Network providers only with no cost-sharing - no copayments or deductibles. - Prescriptions are also available through a Mail Service Program. Through the Mail Service Program, you will pay 2x the cost of a 30-day supply for a 90-day supply of your prescription drug. Click on 'Pharmacy Program' at [www.gallagherkoster.com/UWISystem](http://www.gallagherkoster.com/UWISystem) to learn the details of the pharmacy program, including the Mail Service Program. Students who take maintenance drugs are encouraged to use the Mail Service Program to be able to receive the maximum benefit available.

- Students who plan on studying abroad may fill out a Prescription Override form by visiting [www.gallagherkoster.com/UWISystem](http://www.gallagherkoster.com/UWISystem), clicking on the 'University of Wisconsin River Falls' link, and selecting 'Pharmacy Program', then 'Pharmacy Override Form'.

Yes, students are immediately covered for pre-existing conditions.

## Am I required to get a referral from my school's Health Services before I seek treatment?

No, a referral is not required with the Student Accident and Sickness Insurance Plan, but there are many benefits to first seeking advice from the Student Health and Counseling Services.

If you are sick, injured, or need a physical exam, please call and schedule an appointment at the River Falls Medical Clinic located at 1687 East Division Street, River Falls, WI 54022 (715/425-6701). Information on River Falls Medical Clinic is available at <http://www.uwrf.edu/StudentHealthAndCounseling/StudentHealthServices/RFMC.cfm>.

Yes, the Student Accident and Sickness Plan covers you during semester breaks, summer vacation and even if you're traveling or studying abroad. You'll be covered for the period for which you paid premium.

In addition to being covered for medical treatment and services, you will also be covered for Repatriation of Remains, Emergency Medical Expense Benefit and Travel Assistance Services through On Call International, the 24-hour worldwide assistance service. All services must be arranged for in advance and provided by On Call International. Any services not arranged by On Call International will not be considered for payment.

- When studying or traveling abroad, keep your student health insurance plan identification card with you and take a copy of the brochure for reference.
- When outside of the United States, you will likely be asked to pay for your medical care first and will then need to seek reimbursement. Covered Expenses will be reimbursed on an out-of-network basis.
- When you submit claims for reimbursement, you will need to have the itemized bill(s) translated into English and include a letter informing the claims administrator that you are seeking reimbursement for charges previously paid.
- Please ensure that your name, ID number, address (to receive your reimbursement check), and the University's name are on the bill.

## **What is a deductible? Does this plan have a deductible?**

A deductible is the amount for which you are responsible before payment is made by the claims company. Once you have paid the deductible, whether it's applied to one service or multiple services, the plan will pay for covered medical expenses as indicated in the plan brochure.

No, the 2012-2013 Student Accident and Sickness Plan does not have a deductible.

## **What is the Out-of-Pocket maximum?**

## **Finding a Provider**

### **Can I go to any doctor or hospital?**

Yes, you can go to any provider; however, you will save money by seeing providers that participate in the HealthEOS Plus+ Network (or the Multiplan Provider Network outside of Wisconsin) because providers participating in this network have agreed to accept a predetermined negotiated amount, or Preferred Allowance, as payment for their services.

Go to [www.gallagherkoster.com/UWISystem](http://www.gallagherkoster.com/UWISystem), click on the 'University of Wisconsin River Falls' link, and click on 'Find a Doctor' to locate participating providers.

# Claims Processing

## What should I do if I receive a bill, or need to be reimbursed, for services I received?

Physicians should bill the claims administrator. The billing information is on the back of your health insurance ID card. However, if you do receive a bill or if you have paid for a service and need to be reimbursed, please send your bill (and proof of payment if seeking reimbursement) to the claims administrator at the following address. You do not need an additional claim form. Make sure your name, health insurance ID number, and school name are on the bill. Make a copy for your records before sending to the claims administrator at the following address:

For services received **on or after** August 5, 2012:  
Klais & Company, Inc.  
1867 West Market Street  
Akron, OH 44313

For services received **prior to** August 5, 2012:  
Student Assurance Services Inc.  
P.O. Box 196  
Stillwater, MN 55082

## Is any other information needed in order to pay a claim?

If the treatment you received was a result of an accident, you will receive a letter from the claims administrator asking for information about the accident, i.e. was it the result of a car accident, from playing sports, etc. Your claim cannot be processed without this information, so please respond to the letter promptly. You may also receive a letter asking if you are covered by any other health insurance plan. It is important that you respond promptly to this as well.

## How will my claims be paid if I have other health insurance in addition to the student health insurance plan?

The Student Accident and Sickness Insurance Plan has a coordination of benefits provision. This means your plan with Gallagher Koster will coordinate the payment of claims with your other insurance company. You will need to provide the claims company with information about your other health insurance company.

Please refer to your brochure for details.
