Enrollment & Eligibility

Who is eligible for the plan?

All undergraduate and graduate students, as defined by Nazareth College, will be eligible to enroll in the College Student Accident and Sickness Insurance Plan.

How do I enroll?

Students who decide they would like to enroll in the plan, may do so by completing the following steps:

1. Go to www.gallagherkoster.com/nazareth.
2. Click on 'Student Direct Pay Enrollment'.
3. Create a user account, or log in if you are a returning user.

4. Select the Green 'I want to Enroll' button. Immediately upon submitting your online form you will receive a confirmation number. Please save this number and print a copy of your confirmation for your records.

How do I enroll my eligible dependents?

Students must purchase coverage for their eligible dependent(s) at the same time as their own initial plan enrollment. Dependent coverage must be purchased for the same time period as the student's period of coverage and cannot exceed coverage purchased by the student. For example, a student enrolled for annual coverage cannot purchase dependent coverage for the spring semester unless a qualifying event, as defined below, occurs.

Students can add eligible dependent(s) if they experience one of the following qualifying events: (a) marriage (b) birth of a child, (c) divorce, or (d) if the dependent is entering the country for the first time. Please note, with the exception of the dependent entering the country for the first time, all other qualifying events noted above will only be approved if experienced by the student. If dependent enrollment meets one of these qualifying events, the Dependent Enrollment Form, supporting documentation and payment must be received by Gallagher Koster within 31 days of the qualifying event. If not received within 31 days of the qualifying event, the effective date of coverage will be the date this form and payment are received at Gallagher Koster. Once a dependent is enrolled, coverage cannot be terminated unless the student loses eligibility.

Students may enroll their eligible dependents online for an additional premium by visiting www.gallagherkoster.com/nazareth, selecting 'Dependent Enroll', and completing the form by the published deadline.

What about Health Care Reform? How does that affect my Student Health Insurance Plan?

If you are under the age of 26, you MAY be eligible to enroll as a dependent under the employer health insurance plan held by your parent(s). However, before you do so, you should fully compare the employer plan against this Student Plan to determine which plan's rates, benefits and coverage are most appropriate for you.

In addition to the items mentioned above, keep in mind that Student Insurance Plans are generally less expensive than individual plans with similar benefits. In fact, your total out-of-pocket cost (including premium and deductibles) may be significantly LESS with this Student Plan, especially if your parents' employer plan is considered a 'high deductible' plan.

Am I covered if I have a pre-existing condition?

Students under the age of 19 are immediately covered for pre-existing conditions.

If you are over the age of 19, you will be covered if you were continuously insured through another health insurance plan for the 6 months immediately prior to the effective date of the Nazareth College Student Accident and Sickness Insurance Plan without a lapse in coverage of more than 63 days.

- If you were not continuously insured or had a lapse in coverage of more than 63 days, you will not be covered for any pre-existing condition. A pre-existing condition is one for which you sought medical advice, were diagnosed, received care or treatment or were recommended care or treatment during the 6 months prior to the effective date of this plan.
- Once you have been enrolled in this plan for 6 months, your pre-existing condition will be covered as any other condition.

Am I required to get a referral from my school's Health Services before I seek treatment?

No, a referral is not required with the Nazareth College Student Accident and Sickness Insurance Plan, but there are many benefits to first seeking care or advice from Health Services. Students should be aware that on-campus Health Services are available to them. Your school's Health Services website is: <http://www.naz.edu/health-services/health-services>.

Do I get an ID Card?

Yes, ID Cards are made available online 24-48 hours after enrollment in the plan. ID Cards are also mailed to the address the school has on file for you and can be printed per the request of the school or student.

A deductible is the amount for which you are responsible before payment is made by the claims company. Once you have paid the deductible, whether it's applied to one service or multiple services, the plan will pay for covered medical expenses as indicated in the plan brochure.

This plan has a \$250 per policy year deductible.

Finding a Provider

Can I go to any doctor or hospital?

Yes, you can go to any provider; however, you will save money by seeing providers that participate in this plan because providers participating in this network have agreed to accept a predetermined negotiated amount, or Preferred Allowance, as payment for their services.

Go to www.gallagherkoster.com/nazareth and click on 'Find a Doctor' to locate participating providers.

Claims Processing

What should I do if I receive a bill, or need to be reimbursed, for services I received?

Physicians should bill the claims administrator. The billing information is on the back of your health insurance ID card. However, if you do receive a bill or if you have paid for a service and need to be reimbursed, please send your bill (and proof of payment if seeking reimbursement) to the claims administrator at the following address. You do not need an additional claim form. Make sure your name, health insurance ID number, and school name are on the bill. Make a copy for your records before sending to the claims administrator at the following address:

Klais and Company, Inc.
1867 West Market Street
Akron, OH 44313
www.klais.com
1-877-349-9017

Is any other information needed in order to pay a claim?

If the treatment you received was a result of an accident, you will receive a letter from the claims administrator asking for information about the accident, i.e. was it the result of a car accident, from playing sports, etc. Your claim cannot be processed without this information, so please respond to the letter promptly. You may also receive a letter asking if you are covered by any other health insurance plan. It is important that you respond promptly to this as well.

How will my claims be paid if I have other health insurance in addition to the student health insurance plan?

The Nazareth College Student Accident and Sickness Insurance Plan has a coordination of benefits provision. This means your plan with Gallagher Koster will coordinate the payment of claims with your other insurance company. You will need to provide the claims company with information about your other health insurance company.

Please refer to your brochure for details.
