**Am I required to get a referral from my school’s Health Services before I seek treatment off campus?**

No, a referral is not required with the Student Health Insurance Plan, but there are many benefits to first seeking care or advice from UCF Student Health Services. Students should be aware that on-campus Health Services are available to them. Your school’s Health Services website is: [www.studenthealth.ucf.edu](http://www.studenthealth.ucf.edu/).

**Does this plan cover me when I am off campus, traveling or studying abroad?**

Yes, the Student Health Insurance Plan covers you during semester breaks, summer vacation and even if you’re traveling or studying abroad. You’ll be covered for the period for which you are enrolled and premiums are paid.

In addition to being covered for medical treatment and services, you will also be covered for Emergency Medical Evacuation, Repatriation of Remains, Security and Political Evacuation, Natural Disaster Evacuation and 24-hour worldwide travel assistance services through UnitedHealthcare Global. All services must be arranged for in advance and provided by UnitedHealthcare Global. Any services not arranged by UnitedHealthcare Global will not be considered for payment.

- When studying or traveling abroad, keep your Student Health Insurance ID card with you and take a copy of the brochure for reference.
- When outside of the United States, you will likely be asked to pay for your medical care first and will then need to submit for reimbursement. Covered Expenses will likely be reimbursed on an Out-of-Network basis.
- When you submit claims for reimbursement, you will need to have the itemized bill(s) translated into English and include a letter informing the claims administrator that you are seeking reimbursement for charges previously paid.
- Please ensure that your name, ID number, address (to receive your reimbursement check), and your school’s name are on the bill.

**Will I be covered under the plan after I graduate?**

You will be covered under the Student Health Insurance Plan until the end of the policy period for which you are enrolled and premium has been paid. If you enrolled and paid for annual or spring/summer coverage and graduate in the Spring, you will be covered until the end of the policy year. There is no option to continue coverage after the policy terminates.

**Enrollment & Waiving**

**Can I enroll my eligible dependents?**

Yes, you can enroll your eligible dependent(s) at the same time as your own initial plan enrollment by following the steps described in the ‘How do I…?’ section of this document. Dependent coverage must be purchased for the same time period as the students and cannot exceed the student’s period of coverage. For example, a student enrolled for annual coverage that doesn’t enroll their dependents for annual coverage cannot purchase dependent coverage for the spring semester unless a qualifying event, as defined below, occurs.

Students can add eligible dependent(s) if one of the qualifying events occur: (a) marriage, (b) birth of a child, (c) divorce, or (d) if the dependent is entering the country for the first time. If one of these qualifying events occurs, the Dependent Enrollment Form, supporting documentation and payment must be received by Gallagher Student Health & Special Risk within 31 days of the qualifying event. If approved, coverage will start on the date of the qualifying event. The premium is not prorated. Forms received more than 31 days after the qualifying event will not be processed. Once a dependent is enrolled, coverage cannot be terminated unless the student loses eligibility.

**If I lose coverage with the Plan I waived with, can I enroll in the Student Health Insurance Plan?**

If you are eligible to enroll in the Student Health Insurance Plan on a voluntary basis, there is no option to Petition to Add if you lose coverage with your current health insurance plan. If you missed the enrollment deadline you will need to wait until the next open enrollment period.
Once I’m enrolled in the Student Health Insurance Plan, can I terminate coverage? Can I get a refund?

No, once you’re enrolled in the Student Health Insurance Plan, you will remain enrolled in it for that period of coverage. There is no option to terminate the Student Health Insurance Plan due to being eligible or enrolling in another plan due to gaining coverage through marriage, or as a dependent on a family’s plan or purchasing private insurance coverage. A pro-rated refund of premium is only permitted when a student enters the armed forces.
