What is covered under the Study Abroad Insurance Plan?

- The Plan covers **emergency** medical expenses, including hospital room and board, surgical procedures, lab and x-rays, mental health, physician office visits, prescription drugs, repatriation, medical evacuation, security evacuation, accidental death & dismemberment, and comprehensive travel assistance benefits, including a medical guarantee of payment, lost luggage, personal property, trip cancellation, and trip interruption.
- Coverage applies to all Ivy Tech Community College of Indiana sponsored study abroad travel.
- Payment will be made for covered medical expenses, not to exceed the Lifetime Aggregate Maximum Benefit of \$250,000. Preexisting conditions are covered immediately.
- Insurance services are covered at 100% with \$0 deductible.

What is not covered under the Study Abroad Insurance Plan?

- The plan does not cover routine care or preventative care. The plan only covers **emergency** accidents and sicknesses that occur during your travels abroad.
