When outside of the United States, you will likely be asked to pay for your medical care first and then will need to seek reimbursement. When you submit claims for reimbursement, you will need to have the itemized bill(s) translated into English and include a Study Abroad Claim Form, found at www.gallagherstudent.com/OregonStateAbroad, informing the claims administrator that you are seeking reimbursement for charges previously paid. You should take copies of all documents for your records and send the original documents to:

Is any other information needed in order to pay a claim?

If the treatment you received was a result of an accident, you will receive a letter from the claims administrator asking for information about the accident, i.e. was it the result of a car accident, from playing sports, etc. Your claim cannot be processed without this information, so please respond to the letter promptly.
