Insurance Plan Benefits

What benefits does your SHIP provide?

Your SHIP is fully compliant with the Affordable Care Act (ACA) and all other federal and state mandates. It pays for a variety of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and x-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs. It also covers intercollegiate sports injuries the same as any other injury.

It covers preventive care services at no cost when you use in-network providers. This includes routine physicals and examinations, screenings, GYN examinations, and most immunizations.

It pays for 90% of your medical fees when undergraduate students use in-network providers. It pays for 80% of your medical fees when graduate students use in-network providers. This is the advantage to using in-network providers. When you use out-of-network providers the coinsurance is less which means your potential out-of-pocket costs are more. There may be copayments and deductibles you'll be responsible for paying.

Do I need a referral from my school's Health Services to see an off-campus health provider?

No, you don't need a referral. However, seeking care or advice first from The Health Center is a good idea, since they can connect you with valuable on-campus services or refer you to providers they know off-campus. For more information, visit your school's Health Services website www.Springfieldcollege.edu/student-life/health-center/.

Am I still covered if I live off campus or I'm traveling or studying abroad?

Yes, your plan covers you wherever you are - during semester breaks and summer vacation. This is true even if you're traveling or studying abroad. As long as you're enrolled in SHIP and you paid your premiums, you'll be covered.

More information about off-campus, travel and study abroad

In addition to being covered for medical treatment and services, your plan also offers 24-hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact AXA to make the arrangements for you, so contact them before making arrangements on your own. If you don't contact them first, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an out-of-network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.

This FAQ is a summary only. It does not include all benefits, restrictions, and exclusions in your SHIP. Please refer to “My Benefits and Plan Information” on the plan website for full details.

“How do I...?”

- Write your name, ID number, address, and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

Does my plan still cover me after I graduate?

Yes. You will be covered under your SHIP until the end of the policy period for which you are enrolled and have paid your premium. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year.

Eligibility, Enrollment & Waiving

Am I eligible for student health insurance?

Massachusetts law mandates that all full-time and three-quarter time students have health insurance coverage. To ensure compliance with the law, Springfield College students registered for at least 75% of full-time credits are eligible and required to purchase this insurance plan, unless proof of comparable coverage is furnished. All International students are eligible and required to purchase this Insurance Plan.

Can I enroll my eligible dependents?

The SHIP does not provide dependent coverage.

What should I know before waiving coverage?

Before waiving coverage, review your current policy and then consider these questions:

- Does your plan comply with the Affordable Care Act? (See the FAQ, “What do you mean by ‘comparable coverage?’”)
- Will your current plan cover medical care beyond emergency services (i.e. doctor’s office visits, diagnostic testing, x-rays, prescription drugs, mental health, etc.) on- and off-campus?
- Does your plan have doctors and hospitals near campus?
- If you plan to travel elsewhere during the course of the year, does your coverage also extend to these areas?
- Is the annual cost of your SHIP less expensive than the cost of being added as a dependent to your parents’ plan? Be sure to compare deductibles and total out-of-pocket costs, not just the annual premium.
- Does your current plan call for administrative pre-requirements, pre-certification, or primary-care physician referrals? Keep in mind that physician referrals may delay your access to treatment.

More information about waiving coverage

- If you don’t complete a decision form by the published deadline, you will be automatically enrolled in and billed for your SHIP.
- Once you meet eligibility, you are enrolled for the remainder of the policy and can’t waive later in the year.
- If you decide to waive coverage, you won’t have another opportunity to enroll in SHIP until the following plan year unless you experience a qualifying event.

This FAQ is a summary only. It does not include all benefits, restrictions, and exclusions in your SHIP. Please refer to “My Benefits and Plan Information” on the plan website for full details.

“How do I...?”

- You should submit an online decision form, whether enrolling or waiving.

What do you mean by “comparable coverage”?

If you decide to opt out of your SHIP, you must be insured by a plan that provides comparable coverage. This means it must comply with the Affordable Care Act (ACA) and meet or exceed the benefits provided through the SHIP. Your plan must have participating providers and cover a range of services in and around the geographic area where you attend school. Services should include, but aren't limited to:

- Preventive and non-urgent care
- Emergency care
- Surgical care
- Inpatient and outpatient hospitalization
- Lab work
- Diagnostic x-rays
- Physical therapy
- Chiropractic care
- Prescription drugs
- Mental health and substance abuse treatment

More information about “comparable coverage”

If your current plan is an HMO, your coverage will likely be limited—or not available—outside of your HMO's service area. As a result, it probably won't be considered a “comparable” plan.

Confused about waiving your SHIP coverage? Before deciding what to do, compare your current health insurance plan to your SHIP coverage. Consider your possible out-of-pocket costs – deductibles, copays, coinsurance and out-of-pocket maximums. You may find your current plan's out-of-pocket costs to be higher than what you'll pay for SHIP. Moving to your SHIP may well be financially beneficial.

Non-comparable health plans include:

- Those that only provide emergency services
- International plans (includes plans not filed in the US)
- Travel insurance plans
- Health care sharing plans
- Out-of-state Medicaid plans
- Plans from insurance companies not located within the United States
- Prescription discount plans

If I waive, but then lose coverage, can I enroll in SHIP?

Yes, if you waive and then lose coverage under that plan (called a qualifying event), you may submit a Petition to Add request. The form can be found on www.gallagerstudent.com/Springfield. Make sure you read the form carefully as it contains very specific information on the Petition to Add process.

This FAQ is a summary only. It does not include all benefits, restrictions, and exclusions in your SHIP. Please refer to “My Benefits and Plan Information” on the plan website for full details.

“How do I...?”

If your enrollment in SHIP is on a voluntary basis, there is no option to Petition to Add if you lose coverage with your current health insurance plan. If you missed the enrollment deadline you will need to wait until the next open enrollment period.

How do recent changes to the Affordable Care Act affect my SHIP?

Your SHIP fully complies with the Affordable Care Act (ACA). Being ACA compliant means your plan offers essential health benefits which includes certain preventive services such as annual physical and gynecology exams and some immunizations. It also covers pre-existing conditions without any waiting period.

There is no longer a federal tax penalty for not having health insurance, but the mandate to have health insurance remains. There are some states that have kept a state tax penalty for not having health insurance as well as having additional insurance requirements.

If you are under the age of 26, you may be eligible to enroll as a dependent on your family’s employer/group health insurance plan. Contact that plan for more information.

May I use one of my state’s marketplace health insurance plans to waive my SHIP?

If you live in the state where you are attending school and bought insurance through your state’s marketplace, you may be able to waive your SHIP. Please review these plans carefully. Many of them will have a deductible greater than that of your SHIP. This will increase your out-of-pocket costs. Also, many of these plans are HMOs with restrictive provider networks. Look at its provider network to be sure that you’ll have in-network providers near your campus.

Are you an international student? If so, then purchasing a subsidized marketplace plan may jeopardize your visa status.

Also take note: Enrolling mid-year in a state marketplace plan will not allow you to leave your SHIP.

Once I’m enrolled in the SHIP, can I cancel it? Can I get a refund?

In some cases, you can cancel your SHIP and receive a refund.

Once you are enrolled in SHIP, you will remain enrolled for that coverage period. However, if you’re enrolled in annual coverage, you may only request coverage termination and a pro-rated premium refund in the following situations:

1. You’re entering the armed forces.
2. You’re enrolled in annual coverage and you wish to cancel the spring portion of your insurance because . . .
 - a. You will be leaving school during the fall semester (or prior to the spring semester).
 - b. You became eligible and enrolled in a subsidized health insurance plan through the Massachusetts Health Connector. Your coverage must begin on or before the start of the spring health insurance coverage period (not academic spring semester).
 - c. You became eligible and enrolled in MassHealth (excluding MassHealth Limited, the Health
