## Insurance Plan Benefits

### What benefits does your SHIP provide?

Your SHIP is fully compliant with the Affordable Care Act (ACA) and all other federal and state mandates. It pays for a variety of medical services, including hospital room and board, inpatient and outpatient surgical procedures, labs and x-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs. It also covers intercollegiate sports injuries the same as any other Injury.

It covers preventive care services at no cost when you use In-Network providers. This includes routine physicals and examinations, screenings, GYN examinations, and most immunizations.

It pays for 80% of your medical fees when you use In-Network providers, while services provided by an Out-of-Network Provider are generally covered at 70%. This is the advantage to using in-network providers. When you use Out-of-Network providers the coinsurance is less which means your potential out-of-pocket costs are more. There may be copayments and deductibles you'll be responsible for paying.

- It has a **\$250** per Insured, per policy year deductible that applies to services received from both an In-Network and Out-of-Network Provider.
- For prescription drugs from participating pharmacies, you will pay:
  - a \$20 copay for a 30-day supply of a generic drug,
  - a \$40 copay for a 30-day supply of a preferred brand name drug,
  - a \$60 copay for a 30-day supply of a non-preferred brand name drug.
- Note: in some cases, your doctor must get permission from the insurance company before prescribing a drug. You can see which drugs require preapproval by visiting your school's page at [www.gallagherstudent.com](http://www.gallagherstudent.com).

### Need more information about your plan?

Go to [www.gallagherstudent.com/stcc](http://www.gallagherstudent.com/stcc) .

### What changes have been made to the Plan for the 2020-2021 Policy Year?

- The MassHealth Premium Assistance Program will not be offered to Medicaid-eligible students for the 2020-2021 plan year. Students enrolled in MassHealth or one of the Accountable Care Organizations.

- Telehealth service are available through Well Connection.
- Acupuncture is now covered 12 visits per calendar year.
- The Gym Benefit has changed to \$150 per calendar year per policy.

### Does your plan include dental and/or vision benefits?

If you're 18 or younger, you can get preventive dental and vision benefits with this plan. For details, refer to your SHIP brochure or certificate.

### More information about your dental and vision options

To enroll in a voluntary dental plan (additional cost), go to [www.gallagherstudent.com/stcc](http://www.gallagherstudent.com/stcc) and click on the "Dental Enrollment Form" link.

### How much does the SHIP cost?

	Annual (09/01/2020-08/31/2021)	Spring (01/01/2021-08/31/2021)
Waiver Deadline	October 30, 2020	March 31, 2021
Student	\$3,045	\$2,032

### Am I still covered if I live off campus or I'm traveling or studying abroad?

Yes, your plan covers you wherever you are - during semester breaks and summer vacation. This is true even if you're traveling or studying abroad. As long as you're enrolled in SHIP and you paid your premiums, you'll be covered.

### More information about off-campus, travel and study abroad

In addition to being covered for medical treatment and services, your plan also offers 24-hour Worldwide Travel Assistance which includes services ranging from a lost passport to helping with emergency medical assistance or arranging for emergency medical evacuation or repatriation of remains. It's important to contact AXA Travel Assistance Services to make the arrangements for you, so contact them before making arrangements on your own. If you don't contact them first, these services will not be covered.

Other information about seeking medical care abroad:

- Always keep your SHIP ID card with you.
- Save a copy of the plan brochure and/or bookmark your student health website.
- If you get sick while abroad, you will likely need to pay for your care first and then need submit bills for reimbursement. Your covered expenses will likely be considered an Out-of-Network expense.
- Before you submit claims for reimbursement, have the itemized bill(s) translated into English. Also include a letter informing the claims administrator you already paid for the healthcare service and need to be reimbursed.
- Write your name, ID number, address, and school name are on your bill(s). This will help the claims company process your reimbursement request correctly and promptly.

### Does my plan still cover me after I graduate?

You will be covered under your SHIP until the end of the policy period for which you are enrolled and have paid

your premium. If you enrolled and paid for annual coverage and graduate in the spring, you will be covered until the end of the policy year. Note: you won't be able to continue your coverage after your policy terminates.

## Eligibility, Enrollment & Waiving

### Am I eligible for student health insurance?

All full-time students registered for nine or more credit hours are automatically enrolled in and billed for the Student Health Insurance Plan unless proof of comparable coverage is received by the published deadline. This includes students enrolled in day or evening classes.

Once you meet eligibility for the first 31 days from the effective date of your Plan, you are enrolled for the remainder of the coverage period. Home-study, correspondence, and online courses do not fulfill this requirement.

### Can I enroll my eligible dependents?

The SHIP does not provide dependent coverage.

### What should I know before waiving coverage?

Before waiving coverage, review your current policy and then consider these questions:

- Does your plan comply with the ACA? (See the FAQ, "What do you mean by 'comparable coverage'?")
- Will your current plan cover medical care beyond emergency services (i.e. doctor's office visits, diagnostic testing, x-rays, prescription drugs, mental health, etc.) on- and off-campus?
- Does your plan have doctors and hospitals near campus?
- If you plan to travel elsewhere during the course of the year, does your coverage also extend to these areas?
- Is the annual cost of your SHIP less expensive than the cost of being added as a dependent to your parents' plan? Be sure to compare deductibles and total out-of-pocket costs, not just the annual premium.
- Does your current plan call for administrative pre-requirements, pre-certification, or primary-care physician referrals? Keep in mind that physician referrals may delay your access to treatment.

### More information about waiving coverage

- Are you an international student? If so, you won't be able to waive coverage. If you don't complete a waiver form by the published deadline, you will be automatically enrolled in and billed for your SHIP.
- If you decide to waive coverage, you won't have another opportunity to enroll in SHIP until the following plan year unless you experience a qualifying event.

### What do you mean by "comparable coverage"?

If your current plan is an HMO, your coverage will likely be limited—or not available—outside of your HMO's service area. As a result, it probably won't be considered a "comparable" plan.

Confused about waiving your SHIP coverage? Before deciding what to do, compare your current health insurance plan to your SHIP coverage. Consider your possible out-of-pocket costs – deductibles, copays, coinsurance and out-of-pocket maximums. You may find your current plan's out-of-pocket costs to be higher than what you'll pay for SHIP. Moving to SHIP may be financially beneficial.

Non-comparable health plans include:

- Those that only provide emergency services
- International plans (includes plans not filed in the US)
- Travel insurance plans
- Health care sharing plans (includes Christian Ministries & Liberty Health Share)
- Out-of-state Medicaid plans
- Plans from insurance companies not located within the United States
- Prescription discount plans

If you decide to opt out of your SHIP, you must be insured by a plan that provides unlimited benefits with no maximums and no pre-existing condition limitations, for example. This means it must comply with the ACA and meet or exceed the benefits provided through the SHIP. Your plan must have participating providers and cover a range of services in and around the geographic area where you attend school. Services should include, but aren't limited to:

- Preventive and non-urgent care (this includes most immunizations)
- Prescription drugs
- Emergency care
- Mental health and substance abuse treatment
- Surgical care
- Inpatient and outpatient hospitalization
- Lab work
- Physical therapy
- Chiropractic care
- Diagnostic x-rays

For more information about the ACA, visit: <https://www.hhs.gov/healthcare/about-the-aca/index.html>

### **If I waive, but then lose coverage, can I enroll in SHIP?**

If you waive and then lose coverage under that plan (called a qualifying event), you may submit a Petition to Add request. The form can be found on your school's page at [www.gallagerstudent.com](http://www.gallagerstudent.com). Make sure you read the form carefully as it contains very specific information on the Petition to Add process. Qualifying events include:

- Reaching the age limit of another health insurance plan
- Loss of health insurance through marriage or divorce

- Involuntary loss of coverage from another health insurance plan

If your enrollment in SHIP is on a voluntary basis, there is no option to Petition to Add if you lose coverage with your current health insurance plan. If you missed the enrollment deadline you will need to wait until the next open enrollment period.

### How does the ACA affect my SHIP?

Your SHIP fully complies with the ACA. Being ACA compliant means your plan offers essential health benefits which includes certain preventive services such as annual physical and gynecology exams and some immunizations. It also covers pre-existing conditions without any waiting period.

There is no longer a federal tax penalty for not having health insurance, but the mandate to have health insurance remains. There are some states that have kept a state tax penalty for not having health insurance as well as having additional insurance requirements.

If you are under the age of 26, you may be eligible to enroll as a dependent on your family's employer/group health insurance plan. Contact that plan for more information.

### May I use one of my state's marketplace health insurance plans to waive my SHIP?

If you live in the state where you are attending school and bought insurance through your state's marketplace, you may be able to waive your SHIP. Please review these plans carefully. Many of them will have a deductible greater than that of your SHIP. This will increase your out-of-pocket costs. Also, many of these plans are HMOs with restrictive provider networks. Look at its provider network to be sure that you'll have In-Network providers near your campus.

Are you an international student? If so, then purchasing a subsidized marketplace plan or the state's Medicaid plan may jeopardize your visa status.

### Once I'm enrolled in the SHIP, can I cancel it? Can I get a refund?

Once you are enrolled in SHIP, you will remain enrolled for that coverage period. However, if you're enrolled in annual coverage, you may only request coverage termination and a pro-rated premium refund in the following situations:

1. You're entering the armed forces.
2. You're enrolled in annual coverage and you wish to cancel the spring portion of your insurance because . . .
  - a. You will be leaving school during the fall semester (or prior to the spring semester).
  - b. You became eligible and enrolled in a subsidized health insurance plan through the Massachusetts Health Connector. Your coverage must begin on or before the start of the spring health insurance coverage period (not academic spring semester).
  - c. You became eligible and enrolled in MassHealth (excluding MassHealth Limited, the Health Safety Net or the Children's Medical Security Plan. Your coverage must begin on or before the start of the spring health insurance coverage period (not academic spring semester).

If your situation falls under option two, you must file your request to terminate coverage with

Gallagher Student Health & Special Risk no later than the last day of fall coverage.
