Am I required to get a referral from my school's Health Services before I seek treatment off campus?

No, a referral is not required with the Student Health Insurance Plan, but there are many benefits to first seeking care or advice from the Student Health Center. Students should be aware that on-campus Health Services are available to them. Your school's Health Services website is: www.wou.edu/student/health.

Will I be covered under the plan after I graduate?

You will be covered under the Student Health Insurance Plan until the end of the policy period for which you are enrolled and premium has been paid. If you enrolled and paid for annual or spring/summer coverage and graduate in the spring, you will be covered until the end of the policy year. There is no option to continue coverage after the policy terminates.

Eligibility, Enrollment & Waiving

Who is eligible for the plan?

All international students are automatically enrolled in and billed for the Student Health Insurance Plan at registration.

Students must actively attend classes for at least the first 31 days after the effective date of the period for which coverage is purchased. Home study, correspondence, and online courses do not fulfill this requirement.

Can I enroll my eligible dependents?

Yes, you can enroll your eligible dependent(s) at the same time as your own initial plan enrollment by following the steps described in the 'How do I...?' section of this document. Dependent coverage must be purchased for the same time as the students and cannot exceed the student's period of coverage. For example, a student enrolled for annual coverage that doesn't enroll their dependents for annual coverage cannot purchase dependent coverage for the spring semester unless a qualifying event, as defined below, occurs.

Students can add eligible dependent(s) if one of the qualifying events occur: (a) marriage, (b) birth of a child, (c) divorce, or (d) if the dependent is entering the country for the first time. If one of these qualifying events occurs, the Dependent Enrollment Form, supporting documentation and payment **must** be received by Gallagher Student Health & Special Risk within 31 days of the qualifying event. If approved, coverage will start on the date of the qualifying event. The premium is not prorated. Forms received

more than 31 days after the qualifying event will not be processed. Once a dependent is enrolled, coverage cannot be terminated unless the student loses eligibility.

Once I'm enrolled in the Student Health Insurance Plan, can I terminate coverage? Can I get a refund?

No, once you're enrolled in the Student Health Insurance Plan, you will remain enrolled in it for that period of coverage. There is no option to terminate the Student Health Insurance Plan due to being eligible or enrolling in another plan due to gaining coverage through marriage, or as a dependent on a family's plan or purchasing private insurance coverage. A pro-rated refund of premium is only permitted when a student enters the armed forces.
