

2018-2019 Brown University Student Health Insurance Program Additional Mental Health Providers

Please note the following:

- This list contains the names of additional, local Mental Health providers who are considered in-network providers under the Brown University Student Health Insurance Program for the 2018-2019 Policy Year.
- The providers listed below are available students & dependents covered under the Brown University Student Health Insurance Plan (SHIP) in addition to the mental health providers found in the United Behavioral Health online directory, available at www.gallagherstudent.com/brown. *However these providers listed below are not participating with the United Behavioral Health network and will only be found in this document.*
 - **Note:** In-Network status applies only to students on the Brown University SHIP; providers will remain out-of-network for all other United Healthcare insurance plans.
- It is the responsibility of the insured to verify with a provider that they remain an in-network provider for the Brown University Student Health Insurance Plan prior to receiving services.
