I confirm that the information I have provided on this form is complete and accurate.

I understand that the dental benefit plan I have selected provides reimbursement for certain dental costs which are more fully described in the current Certificate of Coverage or Summary Plan Description. I understand there may be instances where treatment decisions made by my dentist or me or dental expenses which I have incurred may not be covered by my dental benefit plan.

I understand that information collected in connection with administration of the benefit plan may be used to bring to my attention health products or services that might be valuable to me and otherwise as permitted by law. I understand that you may combine that information with other information so that it is no longer individually identifiable and use it for commercial and other purposes.

I understand that if I and/or my dependents (including my spouse or domestic Partner), if any, waive coverage and desire to participate in the plan at a later date, coverage may be subject to treatment as a late enrollee and may apply at the next open enrollment period. I further understand that if I decline enrollment for myself or my dependents (including my spouse or domestic partner) because of other dental coverage, I may in the future be able to enroll myself or my dependents (including my spouse or domestic partner) in this plan, provided that I request enrollment within 30 days after such coverage ends. In addition, if a new dependent relationship forms as a result of marriage, domestic partnership, birth, adoption or placement for adoption, I may be able to enroll myself and my dependent provided that I request enrollment within 30 days after such marriage, domestic partnership, birth, adoption, or placement for adoption.

Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or knowingly presents false information in an application for insurance is guilty of a crime and may be subject to fines and confinement in prison.

The Certificate provides dental benefits only. Review your Certificate carefully.
